

DIY beaded earrings- pearl and rose earring DIY

These DIY beaded earrings will demonstrate you an easy way regarding pearl and rose combined earring DIY. Within five minutes, you will create this beautiful pair.

Today we are going to show you how to DIY beaded earrings in pink and blossom pattern. The mellow luster of glass pearl is like baby's tender cheek, setting off the pretty clay rosettes. After the tutorial, you will love earring DIY.

Materials and tools:

- 20mm flower [polymer clay beads](#)
- 10mm pink glass pearls
- 6mm ivory glass pearls
- 4mm ivory [glass pearls](#)
- 0.3mm tiger tail wire
- Earring hooks
- Flat nose plier
- Wire cutter

Instructions

Step 1: make beaded flower dangles

1st, slide 6 4mm ivory beads onto a piece of 20cm wire, and then cross ends through a 10mm pink bead;

2nd, add one 6mm ivory bead to each end of wire and cross ends through another pink bead;

3rd, continue beading and crossing;

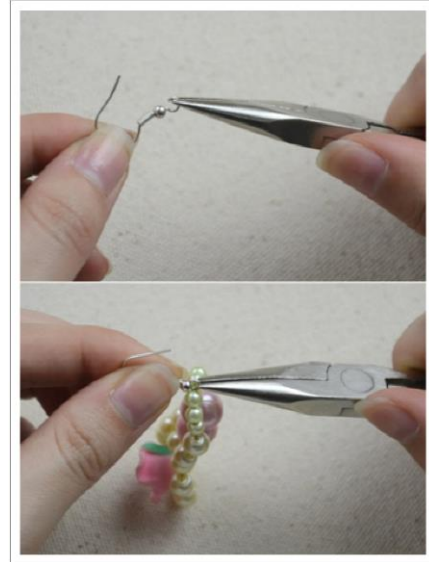

4th, add 2 6mm ivory beads to each end and cross ends through your flower bead;
5th, slide 2 ivory beads to each end and tie 2 overhand knots to finish the dangle;
6th, tuck ends into adjoining beads, cut off excess wires and repeat to make the other.

Step 2: attach earring hooks onto dangles

1st, use plier to open the loop of earring hook;

2nd, attach it to the top of dangle and close the loop.

The finished pearl&rose earrings are like this:
