### Details on necklace ideas to make with Washi Tape:

#### Step1: start with one eyepin

1. Take an eyepin, reserve the length equal to the width of tape and loop the other end;
2. Fold a piece of washi tape over the pin.

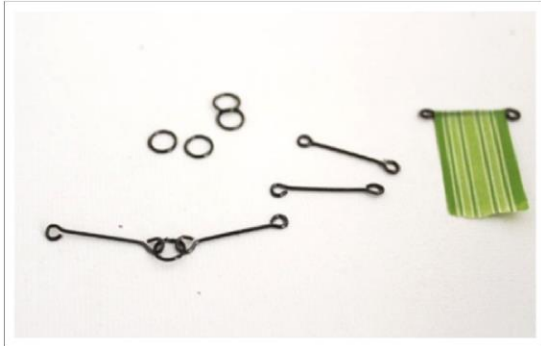

#### Step2: determine your focal necklace pattern

Take more eyepins and cut in necessary length to serve the basic component in step1.

Get the eyepins looped in both tips and then connect with jumprings one by one.

### Step3: add on a chain

Snip a proper long chain strand and attach the two tips of focal portion onto it with another jumprings.

Finally, fold the prepared tape stripes over them.
