

## Make fashion jewelry creatively-instructions for making acrylic jewelry earrings

Via today's project, you will see an incredible way on designing and making acrylic jewelry earrings simply. I have recorded all required instructions while make fashion jewelry for your reference.

Making acrylic jewelry is an astonishingly easy and amusing work. By using the inexpensive acrylic we can create spectacular fashion jewelries. This tutorial is about some detailed instructions for making them into pair of awesome earrings. I love them super.

### Supplies in make fashion jewelry:

- Large Hoop
- Drop [Glass bead](#)
- Gold gliding
- [Jumpring](#)
- 0.5mm [brass wire](#)
- Wire-cutter Plier
- Side Cutting Plier
- Round Nose Plier
- Paintbrush
- Tape

### Details in making acrylic jewelry:

#### Step1: Wrap a Triangle Bail for drop bead

Start by wrapping the drop bead a triangle bail, and additionally add on the Jumpring before close the bail. There are instructions on the how to work wire wrapped triangle bail.

#### Step2: paint the gold gliding

1. Cover the top half of drop bead by tape at an angle;
2. Paint the bottom half with Gold gliding;
3. Set aside and wait for 10 about minutes;
4. Once it dry, take off the tape and proceed to the next process.

### Step3: make fashion jewelry

Open the jumpring at top of drop bead and then add on the hoop finding and matching earring hooks.

And you're done! Seriously, isn't that amazingly fashion? While painting your beads, do two coats of gliding so it may be more stable and even. Furthermore, the clothespin make truly great assistive tool for holding beads in place. Enjoy yourself while making acrylic jewelry earrings. I'm going to make more with various colored beads. Make fashion jewelry every now and then!
