

## Mother s day handmade gifts- Stone necklace patterns for mom

Distinctive necklace patterns might be great choices for upcoming mother s day handmade gifts! And this netted stone one is what we carefully select for you.

Netted braiding holds a pretty flat stone, we believe, this necklace pattern will be most of moms' favorite. Additionally, the colorful tassel and even 4-strand-braiding are great embellishments for this sort of glamorous mother s day handmade gifts.

### Materials and tools:

- 1mm pink [nylon thread](#)
- 1mm yellow nylon thread
- 1mm black nylon thread
- Flat [stone](#)
- Lighter
- Scissors

### Instructions:

#### Step 1: weave net to hold stone

- 1<sup>st</sup>, snip black thread 4 pieces, pink 2 pieces, yellow 2 pieces, each measuring about 1m;
- 2<sup>nd</sup>, hold them together, leave about 10cm tassel and make an overhand knot below;
- 3<sup>rd</sup>, group threads into 4 pairs, knot each pair symmetrically and exchange thread with adjoining one to make new pairs and knot next row;
- 4<sup>th</sup>, insert stone in and continue netting;
- 5<sup>th</sup>, when the stone is totally caged, make an overhand knot below.

#### Step 2: complete one end of necklace

- 1<sup>st</sup>, categorize rest threads into 2 group, each including 2 black threads, 1 pink and 1 yellow;
- 2<sup>nd</sup>, do 4-strand-braiding with upper group;
- 3<sup>rd</sup>, when reaching end, make a simple knot first, and then wrap a loop with left 2 strands and use right 2 strands to make several square knots to secure the loop.

### Step 3: complete the other end

1<sup>st</sup>, do 4-strand-braiding with lower group;

2<sup>nd</sup>, when reaching end, make double overhand knots.

The finalized look is like this:

Tada, the tutorial of mother s day handmade gifts is finished here. You must have kept your eyes peeled for unique necklace patterns for mothers day gifts for a long while; considering this potential need, we select this tutorial for your convenient reference.
