Spring season is all about blooming flowers, germinating glass and warm breeze. Finding leisure old things in home for reusing and upcycling is awesome. For this DIY bracelet making instructions, I went over how to make bracelets with ribbon and spikes at meanwhile. With the contrast of soft ribbon and cool spikes, you'll be always staying in fashion with it!

Supplies needed in bracelet making instructions:

- Wide [chain](#)
- Toggle clasp
- [Stain Ribbon](#)
- Spikes
- Jumpring
- Flat Nose Plier
- Glue

How to make bracelets with ribbon?

Step1: attach toggle clasp onto chain

Measure the chain around your wrist and cut out ideal length. Subtract the inches of clasp. Snap your needed portion and then add your closure.

Step2: start to wrap ribbon

Divide the Ribbon into two even parts;

Start to wrap with the middle of ribbon;

Keep wrapping through the links of chain to last one;

To the end, tie the two endings together and trim off excess portion, ensure by drops of glue.

Step3: add spikes

Lay the semi-finished ribbon wrapped bracelet on a flat and decide the locations for your spikes;
Push the screw part of spike through proper chain link through the bottom and then assemble the spike by using assistive glue.
Repeat this for rest spikes of your choice.

Well, my bracelet making instructions may be ceased here. This chain and ribbon bracelet is really convenient to make and could be given as a great gift. Has this how to make bracelets with ribbon inspired you a little? Or if you come up with another advanced plan, just try it.
