There must be many unused hats, dress and jewelry in your wardrobe and drawer; that's it! You have gotten a lot of materials for this how to make ribbon earrings project. Tear the ribbon part and earring hooks from old-fashioned skirt and earrings, then you will up-cycle a pair of novel ribbon bow earrings.

Materials and tools:

- [Ribbons](#) in light green and dark green colors
- 1mm green nylon thread
- [Earring hooks](#)
- Scissors

Instructions:

Step 1: prepare ribbon pieces

- 1st, cut two 5cm length of ribbon straps;
- 2nd, fold each one in half, add glue to stick two ends together;
- 3rd, apply the same way onto dark green ribbon and make a similar one.

Step 2: make half ribbon bows

1st, squeeze glue onto light green piece;
2nd, adhere it to dark green one and wrap
thread around the folded ends.

Step 3: finalize the ribbon earrings

Sew half ribbon bow to earring hook and repeat
to make another one.
