

One-step lariat necklace-mothers day gifts for children to make

It is about a mothers day gifts for children to make-piece of simple lariat necklace. During the whole processes you may only need nothing but your hands. What a easy and safety project!

Generally, as the mothers day gifts for children to make, we'd considered the safety first. If it is, you can take the simple lariat necklace into account. And what's more, in this project, I worked without any beads and charms that my choke your babies. So, just collect a long chain and certain 1mm nylon thread and we'll move on to the next!

Things you'll need in the lariat necklace:

- [Brass Side Twist Chain](#)
- 1mm [Nylon Thread](#)
- Scissors
- Lighter (not shown in picture)

How to create the lariat necklace?

Step1: measure an enough long strand of chain around the neck;

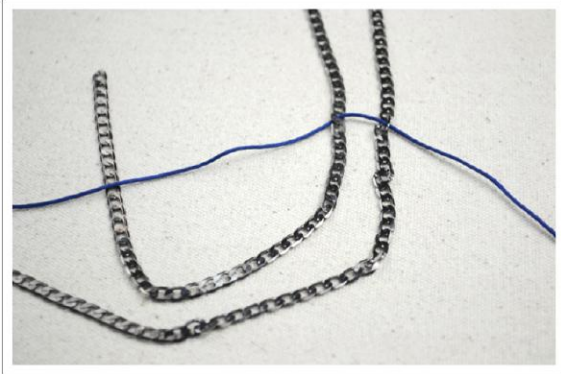

Step2: snip another long strand of 1mm nylon thread;

Step3: fold the chain in half and locate the place that you want to make a focal embellishment;

Step4: feed the thread through one link on both ends;

Step5: start to work the common square knots;

Step6: when knotting a certain portion, trim off the excess thread tails and seal by lighter.

So, this is it!

The lariat necklace is always easy-to-make and versatile to matching with any types of outfits. Plus, each of them is long enough to suit any neck without an extra clasp. Besides this piece as mothers day gifts for children to make, a long strand of beads is also an great way to add more dazzle to your ornament. Hope you'll love it!
