Materials in glass beads jewelry:

- Crystalline [Glass bead](#)
- Chain
- [Brass wire](#)
- Wire-cutter Plier
- Side Cutting Plier

Details for beaded jewelry tutorials free:

Step1: wrap out a bail for glass bead

1. Snip a long brass wire and then pass a few through the hole. Then bent both ends upwards;
2. Twist two wire ends together;
3. Loop the short wire end and wrap rest portion around the wire;
4. Begin to wrap the long wire end around the wire down to the beads;
5. When reached to the hole, stop wrapping and tuck the end of long end into the hole.

Step2: add on chain

Open up the one end link on chain for a connective Jump ring. Then hook on the pendant and other two ending links on chain, close the chain and that's all for the glass beads jewelry of Easter.

So easy glass beads jewelry, right? This wire wrapped pendant is an easy and elegant way to showcase the shimmering crystal.
