

Rubber Band Catapult

Materials Needed:

- Popsicle sticks
- Rubber bands
- Tape (or Hot glue)
- Bottle cap (or Spoon)
- Foil

Step 1: Wrap about 6 sticks in a rubber-band, near the end

Step 2: Slide another popsicle stick between the last bottom stick and the rest.

Step 3: Wrap the other side.

Step 4: Tape or glue the cap onto an unused stick.

Step 5: Wrap the bottom with the **short** end of the catapult. (You can also use a **spoon** instead.)

Step 6: **Decorate as you like!** (You can take the top too if it gets in your way).

Step 7: Rip and ball up the **foil** to make cannon shots.

Finished!
