Materials for the pair of radish earrings:

- [8/0 Seed Beads](#) (2 colors)
- Jumpings
- [Earring hooks](#)
- Tiger Tail wire
- Side Cutting Plier
- Round Nose Plier

Details for the free beaded jewelry patterns:

Step1: increasing with the basic brick stitch

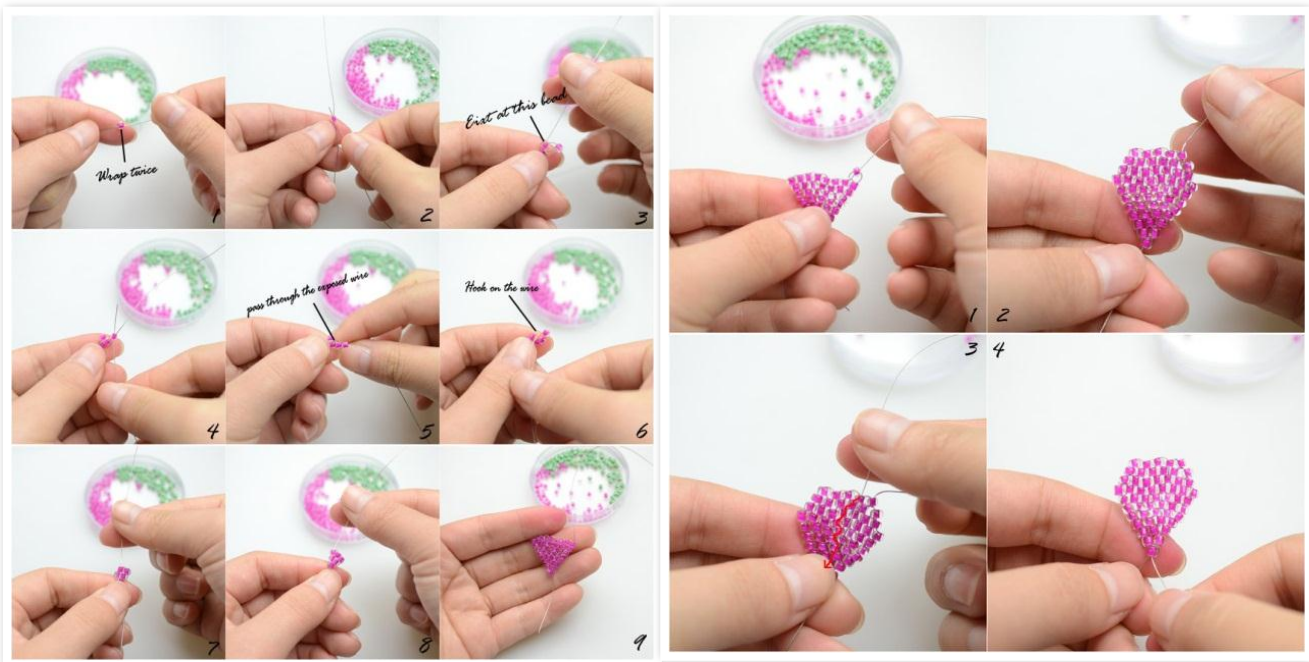

1. Snip a long strand wire and string one Fuchsia 8/0 Seed Bead at one end tip. Wrap the end twice around the seed bead;
2. To begin increasing, string one Fuchsia 8/0 Seed Bead. Then weave the tip back to top as the picture show;
3. Add on another Fuchsia 8/0 Seed Bead and exit the tip at the top of previous seed bead;
4. Wrap on the first seed bead in 3rd row as did for that in 2nd row;
5. At present, when adding on one bead, you

need to pass the wire through the exposed wire loop of the previous row. After that, weave the wire back to top through the added bead;

6. Repeat the above steps until you have increased the ideal amount.

Step2: decreasing with the basic brick stitch

Skip over the first procedure for the firstly added bead in each row. Stop when there remains only 5 pieces of seed beads. In the end, weave the wire among beaded rows for exiting the tip at the beginning seed bead.

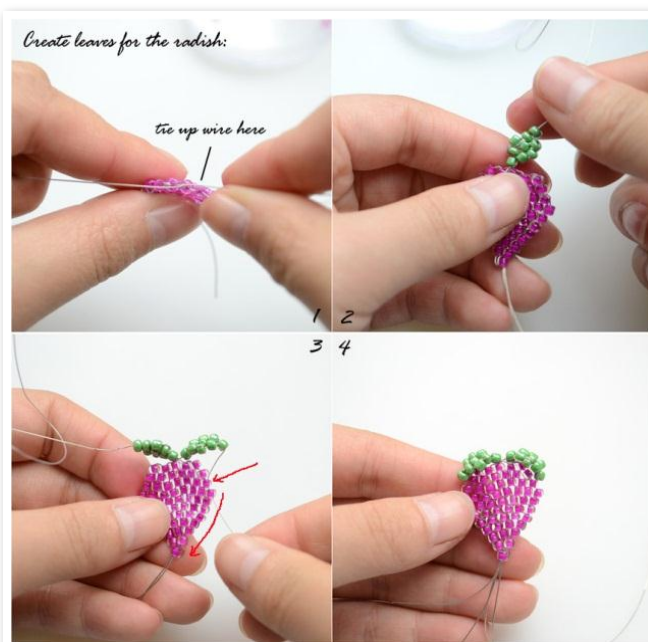

Step3: bead two leaves for radish earrings

1. Cut another 30cm long wire strand and tie up to 2nd or 3rd exposed wire segment;
2. Next, make two small pieces on bases of same free beaded jewelry patterns.
3. Weave the remaining wire through beads on edge to make them gathered together at the starting Seed Bead as same;

Step4: add on hook for your radish earrings

1. Slide on one crimp bead to fix all tips below the radish earring. Trim off all excess part.
2. Attach on the earring hook with a Jumpring.

Thus far, congratulations, you have done your cute Easter radish earrings now! Just repeat all the above processes for a complete pair of such holiday jewelry! Via practicing the free beaded jewelry patterns for several times, you will have master the famous Brick Stitch sooner or later!
