These adorable and cool mother's day gifts features 3 pieces of pearl beads wrapped in a wire nest as the eggs coddled in a nest. To create a mothers ring in the pattern may regard as the most significant gift on the Mother's Day.

Before the arriving of grateful Mother's Day, I have being addicted to design and create a mothers ring, necklace and earring and anything that is unique and customized to give as cool mother's day gifts on the special occasion. Simply collect 3 pieces of 8mm pearl beads and meter of soft wire, that must makes a stunning and sparkling Mother's Day gift.

Things need while create a mothers ring:

- 0.8mm [Aluminum Wire](#)
- 8mm [Pearl Beads](#)
- Side Cutting Plier
- Flat Nose Plier

How to practice super cool mother's day gifts?

Step1: Snip a 50cm long aluminum wire. Slide on 3 pieces of pearl beads on one tip. Curve the ending to prevent the beads from dropping out;

Step2: Form the first triangle, and make sure all 3 pieces of beads stay on three edges respectively;

Step3: Wrap more coils with the tail of wire;

Step4: When the "nest" reaches to your ideal size, stop wrapping coils to hold all existed coils together with extra 2 or 3 turns as picture;

Do the turns for rest two edges, inside and out;

Step5: Make the circular band of your ring. Take the well-made "nest" component and measure the rest wire around the finger;

Take it off from finger and lift up one coil to pass under;

For giving the ring a more stable band, I make two circles;

Step6: Twist the wire tail to hold the circular band turns together.

Volia! You've gained one piece of your cool mother's day gifts!

On the other side, take another short wire to do the same action.

Step7: Create a mothers ring by repeating all processes above!

It is so simple and delicate, fashionable and comfortable to wear that I actually adore such cool mother's day gifts. And i know that create a mothers ring into the pattern may make my day, so I just done an extra piece for my own. Put on the rings and waiting for the compliments from all passerby on street.
