

Center the red piece on the blue background. Glue the white lettering inside the red outline.

The big red heart is to be glued behind the silver paper. If needed, cut a few big red hearts and layer them for extra stability.

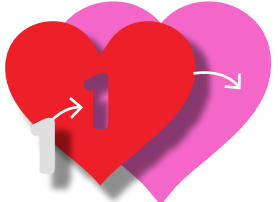

The silver piece will be wrapped around the 4in x 11in piece of foam core.

The piece of blue paper is to be wrapped around the 5.5in x 6.5in piece of foam core.

Color the back pieces with marker, then glue together

Center the red heart on the pink heart. Glue the white numbers inside the red outline.
